Re: Fuel Surcharge – Effective July 1, 2026

Due to the continued increase in fuel costs, we will be applying a fuel surcharge of $5.00 to deliveries effective July 1, 2026. This adjustment is necessary to help offset rising transportation expenses while allowing us to maintain the dependable service and delivery standards you expect from us.

The fuel surcharge will appear as a separate line item on invoices for all deliveries. These fees will be posted on Empire Merchants North website and on our price filings.

We appreciate your understanding and continued partnership as we work to manage these external cost pressures responsibly.
